Drain #	Quantity	Catch Basin I.D.				Pipe Dimensions			
		A	B	C	D	E	F	G	H

**NOTES:**

1. Please fill in all dimensions that apply within 1/8".
2. Please mark or draw in the location of any obstructions such as pipes, ladder rungs, etc.
3. Dimensions A & B are the clear openings or (inside throat) of the catch basin or the grate frame, whichever is less.
4. Dimension C is measured from the bottom of the grate to the bottom of the catch basin.
5. Dimension D is measured from the bottom of the grate to the top of the outlet pipe.

**COMMENTS:**

---

---

---

**Mark which sides have inlet/exit pipes and their diameter.**

**Also mark which way the flow is exiting catch basin.**

---

---

**Mark which sides have inlet/exit pipes and their diameter.**

**Also mark which way the flow is exiting the catch basin.**

**If there are additional inlet and exit pipes use letters: F, G, and H to reference them and their location on the round catch basin drawn on to the right.**
